ABOUT KAICO.

The Kerala Agro Industries Corporation Ltd (KAIC), a premier organization in the agricultural sector, was incorporated in the year 1968 jointly by the Government of India and Government of Kerala, with the object of promoting agro based Industries in the State of Kerala for the production of farm equipments, machineries and implements required for the development of agriculture and to cater to the needs of the farming community. Corporation started its operations in 1968 in a modest way with its Head Office at Thiruvananthapuram. Corporation developed infrastructure facilities at all the Revenue Districts of the State in a phased manner.

Major activity of the Corporation is the trading of agricultural machineries. For providing after sales service of machineries sold-out by the Corporation, well equipped workshops were set up at certain district offices. Well qualified engineers, mechanics and technicians take care of the after sale services of the machineries sold out. Corporation is also implementing various government projects in agriculture and allied sector. Corporation has successfully implemented Government's various prestigious projects like Farm Mechanization under Kuttanad Package, State Food Security Programme, Farm Mechanization under integrated kole land development project, etc.
