EMPANELMENT NOTIFICATION

No.KAICO/HO/Tech/

Dated:22.03.2022

The Kerala Agro Industries Corporation Ltd (KAIC), a premier organization in the agricultural sector, was incorporated in the year 1968 jointly by the Government of India and Government of Kerala, with the objective of promoting agro based Industries in the State of Kerala for the production of farm equipments, Machinery and Implements required for the development of agriculture and to cater to the needs of the farming community.

Government accredited Kerala Agro Industries Corporation to execute public works such as Building works , Road works , Bridge works , Cost effective works, Irrigation related works ,Industrial level development works, Agricultural land development works, Electro mechanical works , Steel works, Water supply and Sewage works, PMC etc since 2007. Corporation is also implementing various government projects in agricultural and allied sector . Corporation has successfully implemented Government's various prestigious projects like Farm Mechanization under Kuttanad Package , State Food Security Programme , Farm Mechanization under kole land development projects , etc.

As part of diversification of the Business activities of the corporation, it is proposed to develop an "Infrastructure Development Wing" for the implementation of various upcoming projects coming under Government, Local Self Government Department & Public Sectors of the state. Our intention is to setup a wing having expertise in the respective fields like Civil, Mechanical, Electrical and in Agriculture. Their service will be taken on need basis and their remuneration is also depending upon the nature of the upcoming projects for the execution. As and when project is sanctioned, we will engage these consultants by observing the existing norms. Retired hands having proven experience can also be applied for empanelment.

Applications with detailed Bio-data and copies of certificates should upload in our email keragrotvm@gmail.com within 21.04.2022. The resource persons will be

considered for enlisting or empanelling based on their qualification and expertise in the specific area.
